

Remarks/Arguments:

Claims 67-106, are pending, and claims 1-66 are cancelled, without prejudice or disclaimer.

Claim 95 is amended to correct a clerical error, i.e., by changing "14-50 nucleotides" to correctly recite "15-40 nucleotides," as apparent from present claims 83, 88, and 90 as well as from the specification (page 3, 2nd complete ¶). The error is regretted.

Favorable action is requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'William E. Player', is written over a horizontal line.
